

Tactical Intervention and Metcalf Range Present

Basic/Intermediate Pistol

February 7th and 8th 2009

2 Days of pistol shooting.

Location San Jose California

2 days of working with Pistol

Working from arms length to 50 yards plus

Students will be given foundation for use of the pistol in a CQB role. The class is geared toward fighting with the weapon and not competition use. Not a simple stand in one place course, this class fits into the Tactical Intervention CQB System, as an approach to work with all defensive firearms one unit. Shoot on move, loading, use of flashlight and tactics will be covered.

Cost 275.00

Equipment needed

Pistol Revolver or Semi Auto does not matter

3 magazines minimum

Holster (Strong side draw preferred) and magazine carrier on body. (No cross draw or shoulder holsters for safety of others)

800 rounds of ammunition

Hand held flash light

Good attitude

Bag Lunch as we don't break for more than a couple of minutes
